COMMITTEE DESCRIPTIONS

Please sign up for the committee that most interests you.

Fundraising – This dedicated group is responsible for approximately 75% of the money generated to fund our projects. This group solicits donations from major companies and works closely with the Board of Directors.

Events – This group of energetic and creative people assists in the planning and staffing of the Social Event Happy Hours and Special Events. We need people with fun and creative ideas to make these events more memorable. Join this committee if you want to meet a lot of people and be involved in planning events.

Membership – This group of dynamic and dedicated people assist in recruitment of new members at the events and through contacting local businesses, as well as retaining past members. If you want to meet as many people as possible, this is the committee for you!

Communications – This group of creative and talented people is responsible for keeping our membership, guests and media informed about the Dallas Heart Ball by developing invitations, programs, and maintaining the website. This group works very closely together and with the leadership team.

Annual Ball Operations – This fantastic group handles all aspects of planning and implementing the Ball. This includes hotel and entertainment negotiations, ticket sales, beverage donations, and works with Auction committee to ensure that the Annual Ball is a night to remember.

Auction – This inventive and dedicated group is the 2nd largest area of fundraising for the Ball. This committee solicits donated items including sports memorabilia, gift certificates, airline tickets, hotel

stays and many other unique items. This is a great committee for those who are creative and enjoy thinking “outside the box” to get even greater silent auction results.

The mission of the Dallas Heart Ball is threefold:

- First, to raise the most money possible for heart research conducted at Children’s Medical Center Dallas;
- Second, to provide framework for the development of leadership skills; and
- Third, to mentor volunteers on fulfilling community philanthropic responsibilities.
